## SPEAKER BIO

## SIMON PARKES

Simon Parkes is a life long experiercer of aliens, shadow people, elementals and ufo's. These include Mantid (Mantis) beings, Draconis Reptilian, Feline, small and tall Grey creatures, Crystalline beings and other creatures that can't be identified. Simon was an elected politician and served a full term of office. Simon went public with his story in 2010 and since then has toured the UK speaking at conferences. He was initially attacked by the establishment media in a concerted effort to discredit him. However an event in 2013 was to be a game changer, when Simon was invited by the British Ministry of Defense (MOD) to join a small party being given a tour of a secret space radar base in the UK. This totally confounded the established media and has led to a far more serious appraisal of Simon's story by them.
