SPEAKER BIO

KERRY CASSIDY

Kerry Cassidy is a documentary filmmaker/investigative journalist and well known radio talk show host of Project Camelot Whistleblower Radio and Project Camelot TV broadcaster with a weekly live show on Youtube. Her website Project Camelot (projectcamelotportal.com) is a leader in the alternative media sector, with a Youtube channel that has millions of viewers worldwide and over 129,000 subscribers.

Kerry travels the world conducting interviews and documenting the testimony of whistleblowers with above top secret clearances as well as authors, researchers and experiencers covering conspiracies, the secret space program, black projects, ETs, kundalini and ascension and free energy. She speaks at conferences around the world and is considered one of the leaders of the disclosure movement.
