TONY TOPPING

Tony is a writer, media contributor and a master craftsman of light, upon the shadow of the secret world of the UFO phenomena. He is a surfer of the spiritual Darknet. I bring the battle of spiritual faith in adversity to life on the page. I add dynamic and jaw dropping content to any media project regarding close encounters with UFOs.

Tony has appeared on ITV's This Morning, The One Show, Channel 4, Channel 5 and BBC 2, Sky Arts, Tattoo Fixers, Sony Pictures, E4, BBC Regional & National News and various radio shows across the globe. He is a member of the NUJ.
